

MT MUSIC

EDUCATION MUSE~LETTER

What's Up!

I thought you might be interested in what is new and what I am working on for future resources from MT Music Education.

1. Prices for all the resources have been reduced to make the resources more available for the budgets that teachers and schools now have in light of the reductions across the province.
2. PayPal can now be used to purchase all the resources that are on the web site.
3. Resource packages are now in PDF format so that the complete books are available on CD.
6. The books are divided into units and individual lesson plans that may be purchased and downloaded from the web site, so you can make your purchases more specific.
7. Be sure to check out the teacher resources for grades 7 to 12 at the OMEA conference in Huntsville, Nov. 4-5. See you there at the MT Music Education booth.
8. Any feedback about future projects is welcome so don't hesitate to contact me at mtmusic@persona.ca or through the web site address info@mtmusic.ca

KEEP MUSIC ALIVE!!
